

# An Invitation

To: All Mascoma Lake Association (MLA) Members  
All others who are interested in the health of Lake Mascoma

From: Your MLA Board of Directors

Subject: SPECIAL OFFER!

As part of the ongoing efforts of the Mascoma Lake Association, the MLA Board would like to encourage you to do two things:

- Renew your MLA contributing membership (\$50 at a minimum) for the 2020 year. Last year we had 147 members join the association. The dues collected were used in a variety of ways including:
  - Funding for the Lake Host Program (boat inspection for non-native weeds and parasites).
  - Funding for the maintenance of the SS Milfoil, the work barge outfitted to support or efforts to locate and eradicate invasive milfoil from Lake Mascoma.
  - Funding for our two summer gatherings: The July annual meeting; the August social.
- Use low phosphorous fertilizer (if you must fertilize close to the lake at all). Phosphorous from all sources is one of the leading causes of the algae blooms that occasionally plague Lake Mascoma.

In an effort to support good lake stewardship, the MLA Board would like to make the following special offer:

If you renew your MLA contributing membership for 2020

BY APRIL 15, 2020

The MLA will send you a coupon for one free bag of no phosphorous lawn fertilizer which we have arranged with Blue Seal Feeds in West Lebanon, NH.

To receive your coupon, first go to the MLA web site: <https://www.mascomalakeassociation.org/> Go to the Membership tab on the web site and either:

- Print out the 2020 Membership Form and mail it to the address shown with your check.
- Or pay through the web site using PayPal or your credit card.

Please indicate whether or not you wish to take advantage of this SPECIAL OFFER.

**Questions: Call or text Bob Barr, MLA Treasurer at 603-365-0120. Thank you.**
