Frequently asked questions about Colonial Life's Term Life Insurance

When can I convert to a cash value policy?

You can convert your policy to a Colonial Life cash-value life insurance policy any time through age 75 (unless you have used the Accelerated Death Benefit or Waiver of Premium Benefit Rider) with no evidence of insurability. Premiums will be based on your age at the time you convert your policy.

What is the Accelerated Death Benefit?

If you are diagnosed with a terminal illness, you can request up to 75% of the policy's death benefit, not to exceed \$150,000. We deduct a fee only if you use the benefit, and your death benefit will then be reduced by the amount you receive. In addition, there may be tax consequences for receiving the accelerated benefit; ask your tax advisor for advice. Please refer to your policy for details.

What spouse coverage options are available?

Two options are available for spouse coverage at an additional cost:

1. **Spouse Term Life Policy:** Offers guaranteed premiums and level death benefits equivalent to those available to you – whether or not you buy a policy for yourself.
2. **Spouse Term Life Rider:** Add a term rider for your spouse to your policy, up to a maximum death benefit of \$50,000; 10-year and 20-year are available (20-year rider only available with a 20- or 30-year term policy.)

What dependent coverage is available?

You may add a Children's Term Life Rider to cover all of your eligible dependent children with up to \$10,000 in coverage each for one premium. The Children's Term Life Rider may be added to either the primary or spouse policy, not both.

What is the Waiver of Premium Benefit Rider?

This rider waives all premiums (for the policy and any riders) if you become totally and permanently disabled before the age of 65. To be considered permanent, your total disability must continue with no interruptions for at least six consecutive months. Premiums waived by this rider do not have to be repaid. This rider is available for the spouse policy as well, subject to home office approval.

What is the Accidental Death Benefit Rider?

This rider provides an additional benefit to the beneficiary if the insured dies as a result of an accident before age 70. The benefit doubles if the injury resulting in death occurs while insured is a fare-paying passenger on a public conveyance such as a commercial aircraft or taxicab. An additional seatbelt benefit is also payable.

Exclusions and Limitations

If the insured commits suicide within two years (one year in CO and ND) from the coverage effective date, whether he is sane or insane (not applicable in AZ), we will not pay the death benefit. We will terminate this policy and return the premiums paid, without interest. In MO, should death occur as a result of suicide, our company is responsible only for the return of premiums paid when application is made with intent to commit suicide.

You will receive a policy summary or illustration (whichever is applicable to your state) when your policy is issued if this policy has exclusions, limitations or reductions of benefits. For costs and complete details, call or write your Colonial Life benefits counselor or the company. This brochure is applicable to policy forms TERM1000, R-TERM1000-ADB, R-TERM1000-CTR, R-TERM1000-STR, R-TERM1000-WAIVER and applicable state variations.

See your Colonial Life benefits counselor for additional information specific for your state. This coverage contains limitations and exclusions that may affect benefits payable. Product may vary by state.
