**ACCIDENT ONLY DISABILITY INCOME RIDER
OUTLINE OF COVERAGE (Applicable to Policy Form R-AD-TN)**

THE POLICY IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the Company.

Read your rider carefully. This outline provides a very brief description of the important features of your rider. This is not an insurance contract and only the actual policy and rider provisions will control. The rider sets forth in detail the rights and obligations of both you and us. It is, therefore, important that you READ YOUR RIDER CAREFULLY.

Renewability. Your rider is guaranteed renewable to the policy anniversary date on or next following your 70th birthday. Your premium can be changed only if we change it on all riders of this kind in force in the state where the rider was issued. *Policy anniversary date* occurs annually on the same date and in the same month as the date for which we first received premium.

Disability Income Coverage. Your rider is designed to provide coverage for disabilities that result from a covered accident subject to any limitations or exclusions. It does not provide coverage for basic hospital, basic medical-surgical or major medical expenses.

Coverage Provided by the Rider. We will pay the monthly total disability benefit shown below if you become totally disabled longer than the elimination period as the result of a covered accident while the rider is in force.

On-Job Amount _____ Off-Job Amount _____ Benefit Period _____ Elimination Period _____

If benefits are payable for less than a full month, we will pay the appropriate benefits on a daily basis. A month is 30 days. The daily amount is 1/30th of the monthly amount.

If you do not have a job when you become totally disabled, we will pay the disability benefit only as long as you are kept at home and cannot perform two of the five activities of daily living and are under the regular care of a doctor.

A recurrent disability will be treated as:

- a continuation of the previous disability, not a new disability, if you have returned to work for less than six months.
- a new disability, if you have returned to work for six months or more, working at least the same number of hours you were working before the previous disability began.
- a new disability, if you did not have a job before the previous disability began and you have ceased to be disabled for six months or more.
- a continuation of the previous disability for any circumstances not specifically listed above.

A new disability is subject to a new elimination period, and a new benefit period applies. A disability that is considered a continuation of a previous disability is not subject to a new elimination period, and a new benefit period does not apply.

We will not pay benefits for more than one disability at a time. This coverage will end on the policy anniversary date on or next following your 70th birthday.

Geographical Limitations

If you become totally disabled by a covered accident while you are outside the covered geographical areas and you are disabled longer than the elimination period, your maximum benefit period while outside the covered geographical areas will be limited to 60 days. *Covered geographical areas* are less than 40 miles outside the territorial limits of the United States, Canada, Mexico, Puerto Rico, the Bahama Islands, the Virgin Islands, Bermuda, or Jamaica.

After the 60 day period, benefits will not be paid until you return to the covered geographical areas.

If you are still totally disabled as defined in the rider when you return from outside the covered geographical areas, we will determine your remaining benefit period by subtracting the time period for which we have already paid benefits from the benefit period. We will pay the monthly benefit amount up to the remaining benefit period.

Important Words in the Rider

Activities of Daily Living mean the following:

1. Dressing - the ability to put on and take off all garments and medically necessary braces or artificial limbs usually worn
2. Transferring - the ability to move in or out of a chair or bed
3. Eating - the ability to get nourishment into the body once it has been prepared
4. Preparing meals
5. Toileting - the ability to get on and off the toilet, to maintain a reasonable level of personal hygiene and to care for clothing.

A *covered accident* is an accident which:

- occurs after the effective date of the rider;
- is of a type listed on the Rider Schedule;
- occurs while the rider is in force; and
- is not excluded by name or specific description in the rider.

Elimination period means the period of time during which no benefits are payable.

On-job accident means an accident which occurs while you are working at any job for pay or benefits

Recurrent disability means becoming disabled, ceasing to be disabled, then becoming disabled again for the same or related condition. The latter disability will be considered a recurrent disability.

- unable to work at any job for which you are qualified by reason of education, training, and experience, and
- under the care of a doctor.

Under the care of a doctor means you are being cared for on a regular basis by a doctor.
