GUIDE TO COMPLETING THE 2020 RENEWAL OF REGISTRATION FORM

Please read this guide carefully.

GENERAL INFORMATION:

Print your renewal form which is attached to the email from the College.

Check and update each section (in particular, your work hours for 2019), sign and submit the **scanned** completed form to the College via email (preferred) or regular mail by **January 31st, 2020**.

Please make payment online via **PayPal** or by cheque or money order submitted to the College.

The 2020 registration year is from **March 1st, 2020 to February 28th, 2021**.

The registration fee for 2020 is pro-rated: **\$325** from March 1st, 2020 to February 28th, 2021.
\$248 from July 1st, 2020 to February 28th, 2021 and
\$165 from Nov 1st, 2020 to February 28th, 2021.

Note: The fee for an Inactive Registration is **\$ 55** which is deductible from the prorated fee if a member wishes to change to Active before the end of the registration year.

Renewals must be received by the College no later than January 31st, 2020 to avoid a \$100 late penalty fee.

The College cannot alter or complete information omitted from your signed renewal form. Members may call the College for assistance with completing the form.

PART A – REMOVAL/INACTIVE:

Part A is designed to allow members who are either NOT renewing their registration or wishing to change to an INACTIVE STATUS to inform the College of their intention.

REMOVAL: Members who do not plan to renew their registration for the 2020 registration year may indicate so and sign. See Section 9 (b) and (c) to report Practice Hours for 2019 or Continuing Competence records and letters of good standing to other Canadian regulatory jurisdictions.

INACTIVE: Members who wish to change to/or maintain an Inactive Status for the 2020 registration year may indicate so and report Practice Hours for 2019 as instructed above. Inactive members shall use the designation Physiotherapist but shall not practice physiotherapy. Inactive Members must meet the requirements for active membership except they do not require CPA membership or malpractice insurance. To become active again they must contact the College and provide proof of CPA membership and malpractice insurance.

PART B - RENEWAL:

Your renewal form includes information on file for the registration year 2019 in each section. Please make updates or changes for 2020 in the corresponding section. Updated information on member's renewal forms is the source for the College's contribution to human resource planners and the Facilities List.

- c) **Total Other Hours:** Check the Other Hours for 2018 is correct (left hand box). **Report Other hours worked for 2019 in the right hand box.**

PRACTICE HOURS:

Note: Only properly reported practice hours will be recorded. The College will enter “ZERO” i.e. “0” in this space if you omit this information or if you enter a formula. The College cannot calculate your hours. Please ensure you calculate and report Practice Hours correctly.

All Canadian Colleges collect and exchange practice hours data for assessment of eligibility for registration and/or renewal of registration. The minimum requirement is 1200 practice hours in the previous 5-year period to qualify for renewal of registration in all Canadian jurisdictions. The College collects two types of Practice Hours i.e. “Annual Hours Worked” and “Other Hours”.

“**Annual Hours Worked**” include hours worked in **Physiotherapy Practice** i.e. Clinical practice, **Physiotherapy:** Administration, Teaching, Management, Research and Consultation. It does NOT include vacation time, sick leave, family leave, leaves of absence, statutory holidays or education leave or time on other leave from the practice of physiotherapy. The College may request employer verification of your reported Annual Hours Worked.

“**Other Hours**” include hours spent in Physiotherapy related activity i.e. Continuing Education Courses, Volunteer work, Physiotherapy service to Sports Teams and Professional Association Activities. Please do not include volunteering for Social Clubs, Parent-Teacher Committees etc. unless your contribution was physiotherapy-related.

Example: A member worked 37.5 hours per week in 2019, took four weeks vacation, nine statutory holidays, three days family leave, four days educational leave (30 hrs) and three days sick leave. The calculation of practice hours excludes the time on leave (292.5 hours) from the total of 1950 hours. In this scenario, **practice hours are 1657.5 hours.**

The same member spends 6 hours volunteering with the e.g. Arthritis Society as a consultant, and spends 20 hours in fundraising activities. The calculation of “other hours” will include 30 hours of educational hours and 6 hours as a physiotherapist volunteer for a total of 36 “other hours”. The 20 hours of fundraising is not a physiotherapy-related activity and does not count.

NOTE: Requests to make corrections at a later date must be verified in writing by the employer and will be subject to Duplicate Membership Fee of \$25.

- d) Check the province/country you were first employed.
- e) Check the year you were first employed.
- f) Check your official languages.
- g) Check any other languages in which you are fluent.
