Dear Parents,

Happy Summer!

Congratulations on completing the school year! I wish you and your child a very happy, healthy and safe summer. I am sure that the time away from school is very well deserved and the rest is very much needed!

The following is the required summer reading and work for children entering the second grade.

Please have your child read, Arthur's Family Vacation, written by Marc Brown. Your child should be able to discuss the book when school begins. We will be completing classroom activities using this book during the first week of school. Please have your child ready. Enjoy Arthur's adventures!

Please have your child work through the *Summer Bridge Activities 1-2 Workbook/Carson Dellosa Publishing*. The review and introduction to the skills presented in the workbook will provide your child with a good foundation for the beginning of second grade. Please remember that many skills are lost over the summer months. Children who review their skills on a consistent basis will be much more prepared for second grade. First grade skills will be assumed and not taught. This is especially true of your child's knowledge of their addition and subtraction facts. Children entering second grade are expected to know their math facts from the very beginning. Please practice, practice and practice!

Attached I have included your child's school supply list for the 2019-2020 school year. *All second graders are expected to have the correct school supplies on the first day of school.* Thank you in advance for your cooperation.

Have a wonderful summer! Remember to enjoy your child and the excitement that summer always brings!

Summer Breezes,

Ms. Rieger

Saint Anthony's Second Grade
School Supply List

4 red pencils

2 large glue sticks

1 pair of blunt end scissors

10 plain yellow pencils

1 ruler (12 inch)

1 box of 16 count crayons (please do not send 24 count)

1 box of 12 original colored pencils (please do not send 16 or 24 count)

1 box of 8 original colored broad-tip markers

1 set of headphones for computer lab (Please do not send earbuds. Actual headphones work better for the younger children.)

The following school supplies are necessary and will be purchased by the school. Please send in cash or a check made payable to: Saint Anthony's Grade School.

| | |
