

Hewitt's 4th Annual

Summer Reading Triathlon

Hewitt Elementary and the Hewitt PTA are proud to announce our Fourth Annual Summer Reading Initiative: **The Hewitt Summer Reading Triathlon: Blast Off to Reading**. In an effort to continue each student's literacy achievements made during the school year and to maintain their reading levels, reading throughout the summer is essential!

Here's how it will work:

- All Hewitt students, including our incoming Kindergarteners, will have the opportunity to participate.
- Hewitt students will be asked to complete **Hewitt's Reading Triathlon (attached)**. Students are asked to read **THREE** books on or above their reading level and answer three reflective response questions about their summer reading.
- In September 2019, students will receive a certificate of completion for Hewitt's Summer Reading Triathlon. The students will then have an opportunity to choose a book as a reward, compliments of the Hewitt PTA.
- ***Optional:*** Join us as we present two special choral reading nights on the front lawn of Hewitt School. Special guest readers will attend and read their favorite story to our students. Immediately following the reading, we will have an optional children book swap where they can share books and enjoy a snack provided by the PTA. This year's dates are:

WEDNESDAY, JUNE 26TH at 6:30PM

WEDNESDAY, AUGUST 28TH at 6:30PM

Why is this book your favorite book that you read this summer?

If I met the main character of this story I would ask him/her....

What part of the story did you enjoy the most? Why?
