

Flight Training Packages

Ask about our installment plan

We provide flight training from the ground up.

You can reduce the cost of flight training by 10% with one of these goal-based packages.

Fast Track

Prepare to move on to Solo Flight training

\$2,731

10

5

Zero-to-Solo

Prepare for one of the biggest milestones in flight training

\$4,833

20

10

Private Pilot

Training to obtain your Private Pilot certificate

\$9,028

PAY-AS-YOU-GO

\$10,039

40

20

FLIGHT INSTRUCTION HOURS

GROUND INSTRUCTION HOURS

You can start anywhere, then advance to any higher level. The higher you start the more you'll save. And regardless of the combination of packages you choose, you'll save vs the 'pay-as-you-go' method.
