

Korah Petrasko, LPC-IT

Korah completed her master's program at the end of 2017. She is also completing the 3000-hour requirement for licensure. Korah has been helping the support team as her practice builds.

Korah is an advocate for clients on the Autism Spectrum and has a special gift for bonding with children and teens. Korah gives freely of her time to advocate for mental health in the community. She is accepting new clients of all ages.

Valley

Valley, is Korah Petrasko's support dog who provides emotional support to clients and staff alike. She is a rescue dog who loves to go to work and make people smile!
